

Lafferty Retail Finance Asia 2010 Convention

Featuring: *Lafferty Retail Banking Asia*
Lafferty Cards & Payments Asia

The Lafferty Retail Finance Asia 2010 Convention aims to provide senior retail financial services professionals with three days of strategic presentations, case studies and expert panel discussions to gain insights into the key drivers and predictions for the retail banking and cards industry across Asia Pacific. This is also a unique opportunity to meet with peers, establish lasting business relationships and find innovative solutions to your most pressing challenges.

The retail finance convention will encompass both a retail banking conference and a cards and payments conference, providing the region's personal finance industry with the most comprehensive forum for sharing best practices and exploring new strategies for future growth and profitability.

Confirmed Speakers

David Marsh, Co-Chairman, Official Monetary and Financial Institutions Forum (OMFIF), and Chairman, SCCO International

David is a strategic adviser and banker combining expertise in central banking with skills in cross border transactions.
